Launch an ePayments program in 30 days or less

30
days or less to get up and running

93%
of clients say implementation was easier than they expected

20
hours or less of client time to implement

"This is by far the easiest implementation I have ever participated in. We brought this project up in a matter of 30 days. Paymerang really does pick up so much of the initial implementation work."

"Paymerang was simple to implement and required less than 20 hours of our time. We launched the program during a period of high turnover and other priorities, and the process still went smoothly."

"The implementation went extremely well and we used zero IT time. It was better than we could have imagined!"

"It doesn't matter how busy you are. This system is very easy to set up and get started on."

"It really is a simple process and doesn't take much time at all. Most of the work is done in the background by Paymerang."

"The process is much easier than I thought going in—pretty seamless. It doesn't take too much of your time and is worth it."
