

Launch an ePayments program in 30 days or less

40

days or less to get up
and running

90%

of clients say implementation
was easier than they expected

20

hours or less of client
time to implement

“ For roughly 5-6 hours of your time it is well worth the investment. You are able to see the fruits of your labor in the form of rebates. Truly an opportunity to turn AP into a small source of cash for your business.”
-Controller, Select Plastics, September 2017

“ There has never been a time when we felt like we were left hanging or had to solve a problem on our own. We were provided with detailed instructions and plenty of resources were available if needed.”
-CFO, ColorTree, July 2017

“ The implementation went extremely well and we used zero IT time. It was better than we could have imagined!”
-VP Finance, McPherson College, June 2017

“ It doesn't matter how busy you are. This system is very easy to set up and get started on.”
-Controller, Wartburg College, June 2017

“ Paymerang is more of a procedure to execute than a project to implement.”
-Controller, Stone Ridge School of the Sacred Heart, June 2017

“ Implementation took 2-3 hours of our time. The benefits outweigh the little time that is spent implementing Paymerang.”
-Accounting Technology Specialist, Earlham College, July 2017

“ This is by far the easiest implementation I have ever participated in. We brought this project up in a matter of 30 days. Paymerang really does pick up so much of the initial implementation work.”

-Title, Client Name, Date

“ The process is much easier than I thought going in—pretty seamless. It doesn’t take too much of your time and is worth it.”

-Controller, Malone College, June 2017

“ Since we had our own hiccups, we appreciate the patience you had with us and I think you and your team did an excellent job!”

-Controller, Malone College, June 2017

“ Training time is minimal really – the process is pretty straightforward and saves time in the long run. And, it should definitely save significant reconciliation time.”

-Title, Client Name, Date

“ Paymerang was simple to implement and required less than 20 hours of our time. We launched the program during a period of high turnover and other priorities, and the process still went smoothly.”

-Title, Client Name, Date

“ It really is a simple process and doesn’t take much time at all. Most of the work is done in the background by Paymerang.”

-AP Analyst, Cumberland University, June 2017
