

# Launch an ePayments program in 30 days or less

30

days or less to get up  
and running

93%

of clients say implementation  
was easier than they expected

15

hours or less of client  
time to implement

“ Implementation took approximately 5 hours and was easier than anticipated. It went very smooth and was much better than expected because the Paymerang team will make sure you are set for success.”

-CIO, Marco Company, June 2018

“ Implementation took 4 hours and was easier in all ways. It took me less time, way less pain than I thought...it was actually no pain at all! and Paymerang will be there every step of the way with you.”

-Accountant, St. Paul Academy & Summit School, July 2018

“ From kickoff to launch total staff time was only around 4-5 hours, which includes meeting times. Paymerang handled everything. We just filled out some forms and supplied a vendor list.

-AP Manager, Episcopal School of Dallas, July 2018

“ You recoup your training time in a month or two, leaving payables staff with more time going forward.”

-Owner, Valley Landscape, February 2018

“ Very little time is required from the client to implement and the benefits far outweigh that time. It will definitely pay off in time savings later.”

-Controller, Thayer Academy, March 2018

“ The process was extremely easy in implement. There was very little that actually had to be done on our side. I kept thinking we must be missing something.”

-VP for Financial Services, Breanu University, July 2018
