

# Partnering with Paymerang

AP Payment Automation

“Paymerang is truly as simple to launch as they say. Every Coalition member institution who uses the program has nothing but positive things to say about the increased efficiency, security and wonderful support provided.”

Anita Girelli

VP of Programs and Communication; Coalition for College Cost Savings

## How It Works

**Share our solution with members**

**Connect our team with prospects**

**Earn extra cash back for your organization**

## What You Get

### Thought **Leadership**

Partner with a leader in payment automation for educational thought leadership presentations & webinars.

### Increased **Revenue**

Share the Paymerang solution with your members & earn cash back rebates.

### Partner **Support**

A dedicated Partner Support Representative will assist you in maximizing your relationship with Paymerang.

### Innovative **Marketing**

No need to worry about creating new marketing collateral. Paymerang's experienced Marketers will develop brand-new marketing collateral to showcase the partnership.

### Unique **Opportunities**

Paymerang offer various tiers of partnership opportunities, enabling you find a relationship that best supports your organization.
